

Christianity: I thought it would be more exciting than this!

Put the adventure back into following Jesus.

Saturday 21st April 9:30am - 4:30pm

At times our faith might feel dynamic but if we are honest it often feels quite dull and predictable. Is this what Jesus intended? How can we rediscover the adventure we first felt called on?

Join us for this day to re-imagine our faith.

Discussions - presentations - storytelling - encounters with Jesus

Venue: Shoebury Baptist Church, 90 Thorpedene Gardens, Shoeburyness, Essex, SS3 9JD

Price including lunch: £17 (£10 concessions)

Trainers:

Peter Dominey loves an adventure, planted Church from Scratch and with them he planted a social enterprise called Shared Space. He helps lead Incarnate Network which connects pioneers.

Juliet Kilpin was led to believe that following Jesus was an adventure but is often dismayed at how safe Christians want their faith and life to be. She is privileged to be part of Urban Expression, a community of risk-takers involved with pioneering.

David Mayne is currently the Lead Pastor at Shoeburyness & Thorpe Bay Baptist Church. He is passionate about helping the church rediscover the radical nature of our faith and helping people engage creatively in mission.
